Re: The voluntary withdrawal of our application for a FIFRA Section 24(c) Special Local Need registration of AgLogic 15GG on citrus. This application was dated and submitted to FDACS on June 1, 2018.

Dear Ms. Brown,

We were in the process of responding to the EPA letter of August 15, 2018 when we were told that FDACS planned to issue a Notice of Denial of our application for a FIFRA Section 24(c) Special Local Need registration of AgLogic 15GG (EPA Reg. No. 87895-4) on citrus. We fully expect that our detailed response to EPA will satisfy the concerns outlined in their letter. Therefore, we think it appropriate to allow the review process to continue until August 31, 2018. If there is no resolution by then, please accept our withdrawal effective August 31, 2018. Additionally, we fully expect that the voluntary withdrawal of our SLN will be without prejudice and with the full reservation of rights accorded by law.

Sincerely,

A handwritten signature in black ink that reads "Larry R. Hodges".
