Hello Jennifer and Susan-

We have finished the HQ review of the whooping crane package, which was really well done! The 4(d) rule has comments/questions that are most significant. You can find all of our suggested edits and comments here:

L:\Packages\De_and_Downlisting_Packages\Birds\Whooping Crane\Proposed downlisting with 4d

Please let me know if you have questions about any of it. We are happy to set up a call if it would be helpful.

Hi Elizabeth -

The RD and PRB have surnamed the whooping crane proposed rule package. I added all the relevant files to the drive here:

L:\Packages\De_and_Downlisting_Packages\Birds\Whooping Crane\Proposed downlisting with 4d

Let me know if you need anything else.

Thanks!

Jennifer
